

Legal Assistant, Release 1

Seven months to a legal assistant that cites Bangladeshi law, in Bangla and English, keeps a Matter for every case and drafts its documents.

Release 1 plan for the client · Prepared by Maksudul · 22 October 2026

What Release 1 is

A chat assistant for lawyers, firms and businesses. It answers questions on Bangladeshi land law and cites the Act and section behind every claim. Each case lives in its own Matter, with its files and its chats, and the assistant drafts documents such as an appeal or a legal notice from the product's own templates.

2 Nov 2026

Work starts once this plan is approved

30 May 2027

Launch, after a pilot with real users

30 weeks

Seven milestones, each with a demo and your sign-off

বাংলা and English

Ask in either language, get the answer in the same one

A small Dhaka firm takes a land matter from Gazipur. The client bought a plot in 2019, and a co-sharer of the holding now wants to buy it back through the court.

The advocate opens a Matter, adds the case papers, and asks the assistant.

In this Matter: Sale deed (2019).pdf · Khatian 412.pdf · Mutation application.pdf

Did the 2019 sale need a registered deed?

Can the co-sharer claim the plot by pre-emption?

এই জমির নামজারি কীভাবে হবে?

Pick a question. Sample matter and illustrative answers; Release 1 answers come from the checked law corpus.

One matter, cited answers

Plot 412 sale · Gazipur Matter · 3 files

Did the 2019 sale need a registered deed?

Yes. A sale of immovable property is made by a registered instrument **TPA 1882, s. 54**, and a deed that transfers land is one of the documents that must be registered **Registration Act 1908, s. 17**. The deed in this Matter carries a sub-registry endorsement on its first page **Sale deed (2019).pdf, p. 1**.

Transfer of Property Act, 1882	s. 54
Registration Act, 1908	s. 17
Sale deed (2019).pdf	p. 1

General legal information, not legal advice. Law as held on 1 Mar 2027.

How a matter works

One minute

First, open a Matter: client, parties, case number, court, key dates.

A few minutes

Then add the case files. Scans are read with OCR and indexed for this Matter only.

As long as the case runs

Then ask, and ask for drafts, in as many chats as the case needs. Every answer cites the Act and section, or the file and page.

One click

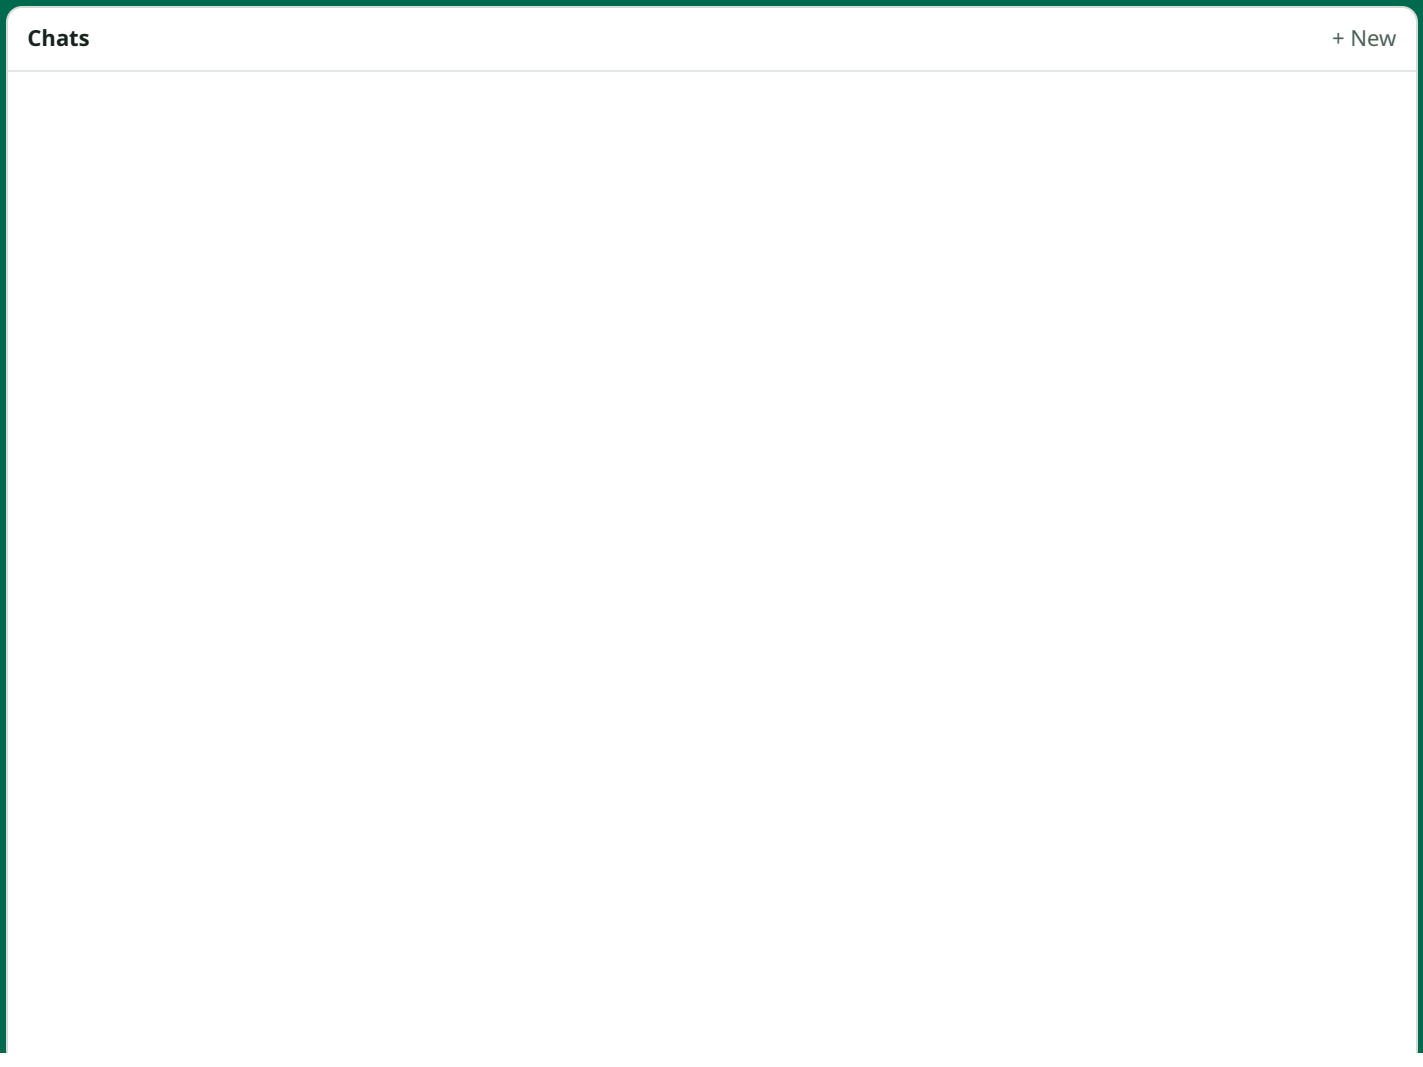

Last, share the Matter with colleagues. The log shows who opened it.

Behind each answer, the assistant searches the law and the Matter's files, writes only from what it found, and checks that every citation came from those results. If

the law it holds does not answer the question, it says so and suggests a lawyer.

Firm and business workspaces

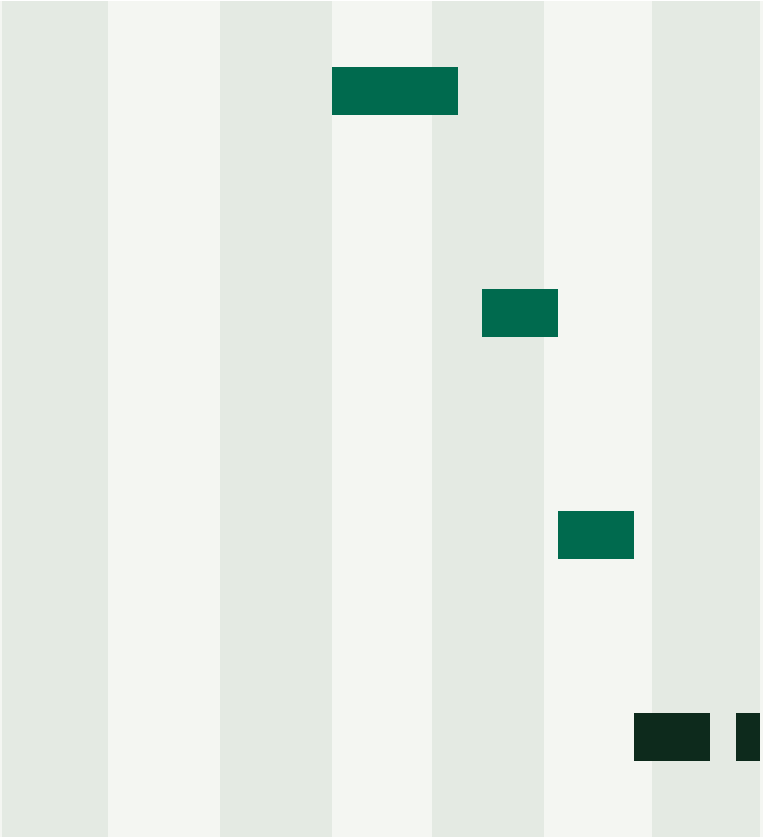

Invites, roles, sharing, activity log

5 – 25 Apr 2027

Pilot and launch

20–50 pilot users, fixes, go live

26 Apr – 30 May 2027

The two gaps are kept free for Eid: week 19 (8–14 March 2027) for Eid ul-Fitr and week 29 (17–23 May 2027) for Eid ul-Adha.

Your part

Every milestone ends with a demo and your sign-off. The dates hold when each review comes back within five working days. A later review moves the next milestone, and the launch, by the same number of days.

Review time

5 working days

First input due

22 Nov 2026

Reviewers

The client, or trained students under the client's supervision

From you

150 reference questions and answers	22 Nov
Hosting location decision	22 Nov
Which documents the templates cover	22 Nov
Grading of sample answers	Jan, Mar
Sample matter files, with consent	Feb
Advocate review of the templates	Mar
Advocate review of name and disclaimers	Apr
20–50 pilot users, one firm among them	Apr

What could move the date

One developer, so no slack	Fixed scope per milestone
Old Bangla scans and encodings	Unicode conversion, OCR, spot checks
The bdlaws site slow or offline	Seeded from the BLAD dataset
GPU servers in the chosen region	Hosting decided in week 3

Now and later

Land-law answers with citations

Release 1: Yes, Bangla and English
